61st Annual Auction: Live & Online

JVC's 61st Annual Auction is planned for Saturday, November 28 & Monday, November 30. Like so many events, our auction will look a little different this year. We will hold online sales and live sale time will be 5:00-9:00 both nights. We are working on streamlining concessions, spreading out the silent auction, and spacing seats so that our guests are able to follow distancing guidelines. We hope that if you choose not to attend in person, you will register and bid on our online items.

We are looking for early donations of new merchandise to feature and promote as we look forward to the auction. This year, we are also encouraging cash gifts that will count directly as auction income. Give the school a call if you would like to make a donation of items or money.

Thank you in advance for your faithful support of this event and your generosity to the students at James Valley Christian School!
