Executive Committee Meeting Highlights

The Executive Committee opened with a time of devotion and prayer for the wellbeing of students, parents and the school's financial and staffing needs. The committee then reviewed administrative reports, financials, and approved bills for payment. Members received and signed 2026-2027 teaching and support staff contracts, approved coaching contracts for distribution, and revised the facility use agreement with updated rental fees. A parent survey was scheduled and nine new student enrollments were approved.
