Small Acts, Big Character

We love seeing our students show their Viking spirit everywhere they go!

Amid the excitement of winning a state championship, one of our soccer players made quite the impression on the bus driver who transported the team to the last two state championship games.

After a late night, an exciting win, and receiving an individual award at the game, this player still took the time to grab a trash bag and help clean the bus before leaving. The bus driver was so impressed that she sent us a note, ending with these words: “Thank you very much, these kinds of trips do more for me than I do for you.”

We couldn't be prouder of this player and all our Vikings who took the time throughout the season to leave buses, vehicles, and field areas as they found them. These simple acts speak volumes about character, respect, and the values our students represent.

Championships are exciting, but the character behind them is what truly makes us proud. Being a Viking means more than how we play the game; it's how we treat others and represent our school wherever we go.

Way to go, Vikings! You make James Valley Christian proud!
